CHARACTER & STORY

Deberto

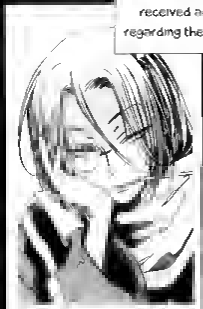
A senator. He is on friendly terms with Reguna, who received advice from him regarding the Oracle's Dream.

Aleutian

The Emperor. Possessing an insatiable curiosity and unlimited energy, he rules over the country with help from seven Council members.

Reguna

The Oracle. Also known as "Angel", he is a close courtier to the Emperor. He is extremely obstinate.



Jasmin

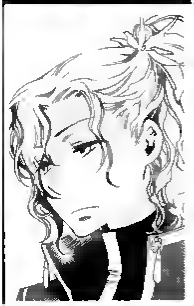
The Strategist. Chief of the Castle Laboratory, he often conducts experiments alongside the Emperor.

"DIE"

Reguna heard a voice filled with murderous intent against the Emperor in an Oracle's Dream. In order to get to the bottom of his premonition, Reguna attempted an ancient divination ritual known as the "Aruosumente". In his dream, a Sage imposed a trial upon him, requiring him to correctly match 10 tarot cards with the people they represent. With the recent turn of events, Reguna grows much closer to Lante, and begins to learn more about his fellow courtiers on the Emperor's Privy Council. Furthermore, with his discovery of the feud between the knights and his murdered father, the past begins to unravel...

Paruteen

Administrator of the Castle Library. He knows every single book in the library inside and out.



Dante

Leader of the Black Knights. He is also known as the "Black Chariot".

Lante

Leader of the White Knights. He is Dante's younger brother and has a friendly, cheery personality.

Thanks for your hard work.
I'll take the next shift
Ah.
Thank you.
第12話
The little guy...
How's he doing?
He was close to death but he should be fine now.
He's still unconscious though.
Is that so?
Oh
Thanks.
...
Sfft...

第12話

Regarding the two children
Rucetta,
It has been decided that they shall be put under your charge.
Do not neglect your responsibilities
Chil-dren...
You mean... the twins...?
Oh...
Who else could I be referring to?
B-But... getting along with kids...
It's not exactly my forte...
You can leave it to your deputy.

Also
You have already with fought him yourself so you should know
That you need not regard nor treat him as a child
He is too strong for that
Well
Is that really the case
Bastard
You can say this only because you haven't come into close contact with the brat like I did
This kid may look incredibly strong and fierce,
But he's still a complete child on the inside
Whatever the case
We have made a deal
We will not let his twin's life come to any harm

"Deal" huh...
What the brat kid said...?
And...? Do you really believe it?
This is not a matter of believing or not.
I just wanted to know what he was thinking.
Really...
That child has formidable strength...
Isn't that correct, Rucetta?
Huh?
That's right.
Yeah.
He'd become even stronger with some training...
Then he would pose a considerable threat to us should he fall into another country's hands.

If they cannot be of use,
It would be wise to remove them from the picture while they are still at our mercy.
Well.
You can trust this guy,
To say such things
I didn't expect this
But I should have seen it coming

"Remove them from the picture"
Huh
If we really do have to "remove them from the picture"
Their blood will be on my hands won't it...?
Hopefully, they'll do as they're told
Hope-fully...!!
Are those children,
As strong as they say?
We still don't know anything about him
What's his name again... Lancci or Lante...
As for the one asleep...
Hehn...
But the one awake is quite impressive indeed
I don't know if both of them are strong

How about you?
I'm Ramia.
What's your name?
Hey
Huh...?
Well
Whatever the case let's get along with him first.
. . . . . o
He talked with Kian-sama.
I see
So in other words, I'm being fabulously ignored!
And he spoke very concisely
Yeah... Anyone can see that...
Hmm
That's impossible
Are you mute?

How very competent of you
Well well!! Then let's communicate through yes/no questions!!
Prepared for a long battle of will power
So you're twins?
Are you the elder brother?
Where are you from...?
...That wasn't a yes/no question
Is that child as strong as you?
Are you going to be this sullen even after he wakes up?
Heavy silence...
I bet he will.
Hmm...

COME ON!!
AT LEAST ANSWER ONE QUESTION!!
No
Which
Question were you answering?
Here.
This is the deal

in exchange...
We covet
Talented swordsmen like you
Swear fealty to our emperor
We will guarantee the safety of this child...
Not only that...
But he will also live his life in comfort and luxury
He will never have to fight Death again under such dire circumstances every day
What do you say?
It is quite a bargain don't you think?

This is blackmail using a hostage.
Idiot.
This isn't even a deal.
Just because you're dealing with a kid
Doesn't mean you have to act immature
It's the life of a child Just this once can't you save him without asking for something in return? This bastard
He calls it a deal"...
But he's definitely going to
LANTE.
Ha...!

Eh?
Is he awake?
Oh
No.
Not yet...
Lante!
Donte...
Good morning.
Does it still hurt?
No
I'm fine...
It's okay.

I
Thank God

You worry too much
Dante
Hello?

This kid
Will probably do as he's told
Or maybe I'm just being paranoid
Maybe he wouldn't obey our orders because he has his own initiative.
If only to protect such a cherished treasure.
Still
Shouldn't we be the ones to worry?!
We broke our promise?
What if...
If...

This kid...
What would he do?
Or rather...
What would happen?
We filthy adults
Didn't even mention the punishment for breaking our own promise
But the boy didn't make any demands either
Could it be...

Could it be that he is after,
The same thing as we are?
AH!!
Hah?
Perhaps he was referring to this?
Huh?
What?
LOOK! JUST NOW!!

He said "no"
That kid doesn't look sullen now, does he?
Sullen"_?
"Are you going to be this sullen"
.....
OH.
HUH?!
THE ONLY RESPONSE HE GAVE,
WAS TO THIS?!
That's rubbish!!
But_
Look.
"LOOK" YOUR ASS!!
Pfft_
Ahaha!!
He had such a sullen face that I was wondering just how stubborn he could be_!!

It's not "woman"!
It's Ramia!
You're annoying woman
Come now
You two are hilarious!!
Don't call me annoying
You're annoying Ramia.
Who's Ramia
Dante?
You are so weird. Ahahaha!
PFFT! HAHA HA!!

第13話

Hey, Lante
Come over here!
Okay.
Take this.
Okay.
EN GARDE!
Yes, sir.

Dazed
Pick it up
Uh, Yes sir.
En garde. Get ready. Again
YES, SIR!
カラン
カラン
Hey
??
I told you to be serious Is this all you can manage?
TSK.

You're completely useless
A total piece of trash.
!?

Let's go.
○×△□?
HEY!
UGH...
DANTE, YOU LITTLE BRAT!!
WHAT DO YOU THINK YOU'RE DOING?!
Don't cry.

I will...
Protect you.
So there's no need to cry.
Ha_
Ha_
Ha_

Okay.
.....
The younger brother...
Is no good.
He...
Won't improve much even with training...
Is that so?
So only the elder brother possesses fighting prowess
Yeah
Ever since...

The kids...
Of course I've thought about what to do with them.
We took them in,
And treated their wounds,
They have grown used to this place.
I was surprised to find that all the other soldiers have grown very fond of them.
There's one guy who brings them old clothes,
My son used to wear this.
Want some snacks?
Great!
Do you need these too?
And another who comes back with snacks whenever he goes on patrol.
What's more...
All in all, I don't have to do much.
This...

Is it really okay for me to accept this. . ?
Really? Do you mean it? I can keep it? You won't take it back?
That's all right
It was just sitting at home gathering dust anyway
Amazing
This kid knows how to wield his weapon... As for the other one...
Such devilish kids...
Squeak
Squeak

Concerned
And the same goes for him.
Hey.
If you aren't as lively and outgoing as your brother
You won't get anything.
Ignore
DANTE!
I GOT A RED ONE!
LOOK!

Can you give one to Dante too?
Eh?
Oh
Of course
Dante...
...Is truly formidable.
From what I can see,
Not a single person here could beat him.
Not even me.

Dante's defense is indeed full of holes~
Got you!
Waah~ Eh?
Here Candy
Gotta go Dante
See ya later!!
Your nose will get longer...
Huh
Very happy ?
Re really?
Dante's very happy. He loves receiving presents!

Rucetta
The captain is complaining again.
What?
Is it Dante again?
Yeah
He completely ignores his orders. The captain wants you to assign him to another squad.
Another one... huh...
He's already been through every squad...
Yeah
None of them could control Dante
That brat...
He hasn't forgotten about the "deal," has he...?
So...
Can you be more specific? What order did he ignore?
He didn't want to part with Lante
"Go trekking for a week."
HUH? WHAT THE HELL?!

THOSE TWINS ARE WAY TOO CLOSE!
THEY'RE COMPLETELY INSEPARABLE!!
Those two boys are hiding something...
You shouldn't throw such a fit, Rucetta.
...Still,
What are they hiding?
I don't know
But rumors say that they came from somewhere very far away
Very far away?
They're not from the neighboring country, that's for sure
His fighting style is definitely foreign
What...
Could the children be running from?
That boy is obviously very intelligent
And Lante...
But somehow there's something about him...

Ramia
Eh?
I almost forgot
You're actually a woman
WHAT WAS THAT FOR?!
IT WAS A COMPLIMENT!
It hurts!!
What sort of compliment is that you blathering idiot?!
But,
I understand what you mean
More or less
THEN DON'T DO SOMETHING LIKE THAT!!

But don't be too lenient on them. That guy would be displeased
I'll leave the twins to you.
I am quite oblivious to such delicate matters.
How do I put it...?
Well...
Kian-sama?
Yeah, Kian-sama.
That guy...
What on earth is he thinking...? I guess we'll never know.

.....
.....
5 cm.
yank
Dante...
You little brat...
You really went for the kill just now, didn't you...?
Now take your foot off me

So that's the extent of the strongest Leader of the Black Knights, huh?
Oh
Kian-sama
How long have you
Fenfield are making their move
Eh?
We do not have a detailed report on the situation yet, but just in case, station some troops at the fortress in the West
The West?
Under-stood
But what exactly do you mean by "move?"
Details are un-known
Then I'll send the 150 soldiers behind us to the West
Unknown
All we know is that troops are assembling near our borders
But their intention is unclear
Ah... I see.

How is the child doing?
Can he be of use?
Well actually...
He doesn't listen to orders at all.
Ah...
...Is that so?
He would be very helpful if he could serve his purpose.
How regretful.
Oh
However,
I've just handed them over to my deputy, Ramia.
If you give them a bit more time, they might improve.
...

I will remain here
What about you Kian-sama?
And leave my deputy and the other 100 here
I'll take 100 men to the West Fortress
So
It is high time that we had the fortress's gate repaired
I need to plan ahead for the budget
And summon a few skilled stone-masons
Rucetta!
This fortress was already built before I joined the army...
That's right...
The fortress' gate

I hear there's a call to arms?
Oh...
We still don't know what exactly is going on
But Fenfield seems to be heating up
The West is not strongly defended so I'll take 100 men there. We'll leave tomorrow morning
I see...
Then I'll leave it till next time
Hm?
What is it?
It's about the twins

Oh, those two little guys
Where are they from? Have you found out yet?
It's more serious than we thought!
More serious than we thought...
So is this going to take a long time?
Probably.
I mean it I need time to explain Kian-sama also needs to know this.
...
...Is it really such a dangerous subject..?
Then...
Since Kian-sama will be staying here for a while,
Report your findings to him first

I'm sorry, but you'll have to write and send your report to me.
Tell Kian-sama first.
And I probably won't be back for a long time
I must be ready by dawn tomorrow.
...Yes, sir.
I'll do as you say.
Sorry about that.
It's all right. The situation in Fenfield requires your attention, after all.

I'll leave it to you to guard this fortress
Well something's bound to happen over there
It'd be great if you could tame Dante a little...
But I won't blame you if it proves to be impossible
...I will include my progress...
in my letters
Please look forward to them.
So the next morning,
I set off to the West.

第14話

Dante,
How did you know I was crying?
Every time I cry,
Dante would always come and help me.
Indeed,
We are a pair of peculiar twins
But why?
Does it hurt?
Ouch..
How is Lante?
Still sleeping?
I couldn't wake up again.
After I left Dante,
And then,
I'm hungry
Let's go Dante

For some reason,
The grownups weren't too happy to hear about that
But,
As soon as Dante came back, all my discomforts were gone instantly, as if I had been lying all along
I feel terrible,
And my head hurts
Lante.
You two can't be with each other forever.
Not to mention the medical cost...
Isn't it also getting way too expensive...?
a Useless

Lante, you really are...
Good for nothing.
Nothing.
There is nothing out of the ordinary!!

Nathing...
Strange?
Nathing at all.
Haw abaut the West-side?
Same far the West!!
Yawn...
Na ane came.
Yes!
Na ane at all!!
Perhaps...
They just haven't shawn themselves yet?
But it is fine like this.
That said
How disappointing
Captain Rucetta.
Is the information we received from Master Kian accurate?
..Even if it was false,
I don't have the authority ta questian him..
I guess yau are right..

Could it be the Divine Protection?
.. How could it not be?
If Master Kian said so.
But,
Doesn't Finfindel also have Oracles?
Which side would the God of realm listen to?
Would it only listen to the voice of our Oracle?
Eh?
Talking about Oracles ..
Did some thing happen recently ..
To Curibacu to the east?
Woah
Are you talking about the recent assassination against the King?
Quite a few people were executed after their attempt was foiled
I heard that amongst those who were executed,
There was.
An Oracle ..

...What are you guys talking about?
Ah,
They were just some rumors I heard.
I have a friend in Curibacu
Even though there has yet to be an official statement by the castle,
Everyone is already talking about it on the streets.
I heard that no one has seen the Oracle afterwards!
Is there any truth to it?
That is just another rumor, isn't it?
...The Oracles,
Do not belong to anyone or any country for that matter.
No, even before that.
Civil War?

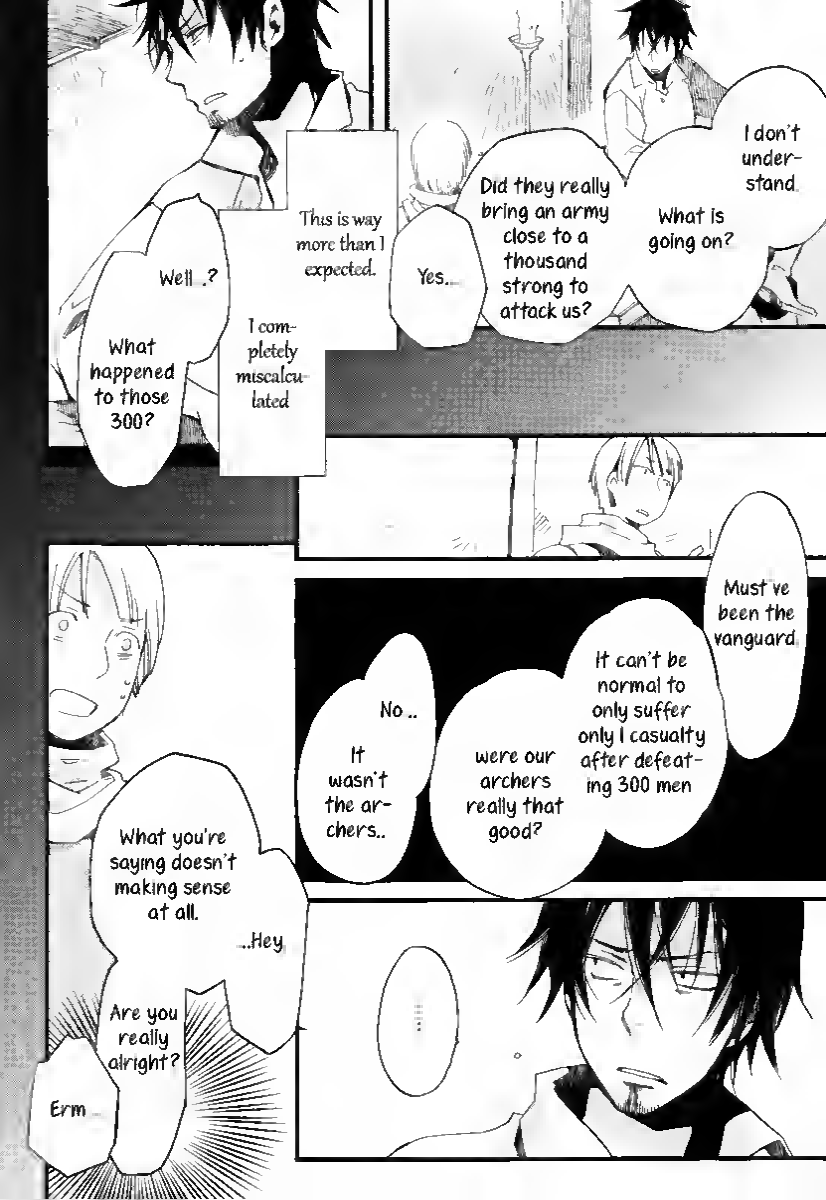
An Oracle was amongst those who were executed...
Are such things even possible?
Did the Oracle cause the rebellion?
But then...
For someone whose sole purpose was to care for His Majesty's well being...
...
Oracles are the bridge between people and God.
Even though I'm not familiar with exactly how it works,
There are always plenty of heroic stories about how Oracles manage to rescue the royal families from impending doom, no matter the country
Impossible.
At least, it shouldn't be possible within our country...
Maybe our Oracle is unique and one-of-a-kind, while all the others are different?
If so...

What would the world be like...
Without Oracles?
CAPTAIN RUCETTA!!
I JUST SAW THE SMOKE!!
PLEASE COME OVER HERE!!
Smoke?
Is it from the Finfindel's army?
I'm afraid it is...
But... It is a bit strange...
Strange?
Its direction, is a bit strange.
They are not coming towards us.
Huh?
If they're not coming towards us, then where are they going?
About that...

The Oracle
They are heading towards where the Oracle is...
To the east
He is the only one who could have come up with something like this.
I'm afraid Finfindel's goal was not to assault the keep...
If anything happens near the border, soldiers like us would then be sent to defend the western frontier.
But the city gate is not something one can just simply breach without a definitive plan.
Things like the Oracle coming here,
Or the weakening of the city walls, all of it might be within his calculations

It wasn't as I expected.
Yet somehow I knew
Any request for reinforcements?
None.
Ten of you, come with me
The rest of you, start making battle preparations immediately in case we need to reinforce them
Roger
With a bit of luck,
We should suffer only a few. no maybe a dozen or so casualties.
The biggest problem would be.
But.
The situation upon our return would be hard to fathom.
A report has arrived

300?!
So far the number of casualties on our side amounts to one
The death toll on Finfindel's side..
Is about 300
Hey,
Did you mess up the numbers? Calm down
No,
I didn't.
It was really 300.
I thought it was wrong too, and had it confirmed several times.
It was definitely 300...!
Even though they still had over 600 soldiers in reserve,
It seems they just didn't do anything and retreated...
.....?



I don't understand.
What is going on?
Did they really bring an army close to a thousand strong to attack us?
Yes...
This is way more than I expected.
I completely miscalculated
Well ..?
What happened to those 300?
Must've been the vanguard
It can't be normal to only suffer only 1 casualty after defeating 300 men
were our archers really that good?
No ..
It wasn't the archers..
What you're saying doesn't making sense at all.
...Hey
Are you really alright?
Erm

I ALSO...
DON'T KNOW WHAT EXACTLY IS GOING ON...!!
NO MATTER WHO I ASKED, EVERY ONE OF THEM WAS JUST AS CONFUSED...!!
NONE OF THEM KNEW WHAT HAP-PENED!
IT WAS ALL LIKE THAT!!
. Did Lamia said the same thing?
No
The vice-captain...
Wasn t present.
Not present?
Why?
I DO NOT KNOW...!!
So nobody knows what's going on...
...What on earth happened?

What...
The hell happened?
CAPTAIN RUCETTA!!
I'VE BEEN WAITING FOR YOU!!!
EVERY ONE!!
THE CAPTAIN IS BACK!
...Where is Master Kian?
He already went back to the city.

So...
I have already heard the reports, but I still have no idea what was going on.
So what exactly happened?
It.
Was a nightmare...
It's hard to tell if it was even the work of a human...
We have no idea how it happened either...
Are you saying...
...That they really lost over 300 men?
That part is...
True...
Just take a look outside the gate.
You can still see the blood-stains...
So they were intercepted outside the gate.
Who led the attack?
About that...

Well,
To be more precise, Lante was outside the gate as well..
But he didn t have a sword in hand
It was just Dante
.....
ONLY,
DANTE?!
ALONE?!
Yes
How did that happen?
It was Master Kian...
MASTER KIAN?!

It was probably,
To punish them.
Could it be..
By the hands of the enemy..?!
Then...
Was Dante the one who died..?
No..
Not him..
Dante... is still alive
Lante is too
WHAT?
Still alive?!
Then..
Who died..?
The one who rushed out of the gate to save Dante...
Vice-Captain Lamia..

What?
Also...
The reports from Finfindel just came in.
Regarding,
The identity of the "Black Chariot"...
"Black Chariot"?
What is that...?
I suppose they are talking about Dante.
Because he was dressed all in black...
The "Black Chariot" is a creature of Finfindel legend.
The Inol Toragdo, also known as the Black Chariot.
Sweeper of the world and rider of the wind, a terrifying and ferocious giant black horse.

..We stood inside the city gate..
So we could only hear sounds..
The sound of movement..
The sound of agony..
And then, the sound of mad laughter..
We could feel the terror gripping us all..
We wanted to help!
But it was too dangerous.
But the Vice-Captain..
Went out there..!!
She was saying that if we don't save him..
What about Dante?
..He is still unconscious..
Even though Lante is by his side guarding him,
None of us dared to approach out of fear..

...I'm sorry
...Why are you apologizing?
Dante,
Only went because of me
Yet I...
Couldn't move an inch because I was too scared.

I...
Couldn't do anything
As always
I wasn't of any help
By the time I had come to my senses,
Everything was already over...
So everything had already ended by the time you came to your senses...
...Lante,
Why were you outside the city gate?
...Did Master Kian put you...
Outside the gate..?
I see...
If Lante is in danger, Dante will have no choice but to go save him.
Sa even if Dante won't follow orders,
As long as he can farce Lante, Dante will have to obey...

So.
In other words,
Whoever controls Lante,
Also controls Dante, a weapon who has the power to single-handedly kill 300 soldiers.
And he can wield that power however he pleases...
This kid...

Where is she?
Why hasn't Lamia come yet?
Eh?
Has yet to notice all that.
...Lamia.
Because of my useless-ness.
...Is she mad at me?
!
If this kid,
Were to find out about everything,
Nothing
Erm, No.
Know what?
Don't you know?
Huh?

Are you surprised?
Angel.
This is,
Our country's Guardian, The Inol Toragdo's true face.
What would happen then?
And so,
I'm the one,
Who has risen to this position only because I have the power to put a stop to it.
A completely useless Captain.

RIDICULOUS!!
How dare he drag the Oracle into such a dangerous situation!!
You must severely punish him!
Thankfully, nothing too bad happened,
But if something had happened to the Oracle...
... Well, in the end, nothing bad happened.
Isn't that a good thing?
YOUR MAJESTY!
THE SITUATION ISN'T THAT SIMPLE!!
NO,
第15話

I also
Agree with His Majesty
REGINA?!
I went there with Lante of my own will
Com-pared to people who almost broke the rules,
Those who have actually broken the rules should be punished more se-verely
Isn't that why we continue to discipline ourselves day after day?
Further-more..

I have heard.
That my father was more involved with everyone than I.
I have even heard about what he did outside the castle.
We are not discussing Kian-sama's matters right now.
.....
We are discussing yours, Reguna.

Even though,
That was such an obvious lie...
.....
I understand.
Or has it just always been me who was so stubborn about it?
But then...
What is it that they so desperately try to hide from me?
Is it the Fenfield case from 10 years ago?
Is it only just that...?

Chapter 15

Since both His Majesty and the Oracle agreed,
The Senate can't possibly ignore this.
Regarding Lante's punishment, how should I put it...
It was rather close...
Either way, the punishment was light
You're right...
The Senate probably just considers it a small miscalculation
They were confident right from the start that the Oracle would be on their side.
...Yeah.
...Mhm.
But you still look so gloomy, Angel
Anyway, it was a good ending for us.

Looking back,
I also didn't finish my work either.
I didn't say what I needed to say to Deberto.
I still have to fix the street,
And attend to all those others things too.
Where should I start...
.....
Speaking of which, what happened to Dante's punishment?
The Senate only mentioned Lante's matters.
What?
They didn't say anything?

About that,
Dante was just probably told to be more cautious in the future.
Be more cautious?
That's it?
That's it.
After all, he is the Nera Torarudo.
Fenfield isn't the only country that fears Dante.
Even so...
Even the Senate can't punish him recklessly.
And that's that.
I've already said it, didn't I?
Lante's punishment was light.
Usually, there would be at least two allegations.

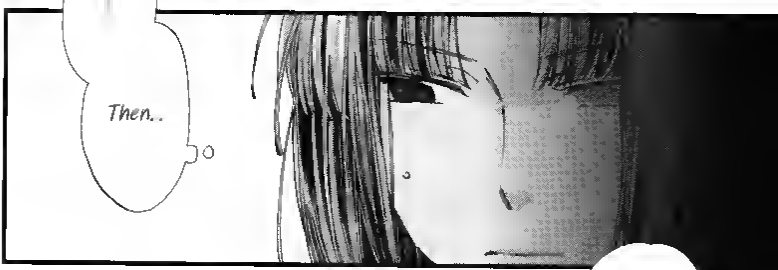
Two?
The first would be "breaking regulations and dragging the Oracle everywhere".
And the other...
Would be "unable to stop the Nera Torarudo from going berserk", of course
...That's Lante's responsibility...?
But...!
That's what was decided.
It's more like Lante requested it to be that way.
After all,
The Senate doesn't dare do anything to Dante.

Who would've thought.
That he'd actually survive, and that the enemies would give him such a nickname?
We ended up with a child you couldn't kill even if you wanted to.
The birth of the "Nera Torarudo" was an accident after all.
Kian-sama originally wanted to bring an end to Dante.
Just like that time, there are moments when Dante goes berserk.
And the only one who can stop him is his brother, Lante.
And the result of such a powerful, unkillable child.
Was that the one who took him in. Kian-sama began to disappear from this world.

The reason the Senate agreed was in part due to His Majesty's request.
It was probably because His Majesty wanted Lante to be part of his council.
If something were to happen when Dante goes berserk, then the responsibility was automatically Lante's.
Even the Senate had trouble with Lante's request.
Who knows.
Why did Lante suggest such a condition?
By giving out sympathy and gaining the ability to blame him...
is how such a ridiculous rule came about.
Swordsmanship?
It's just that his swordsmanship is...
But even though Lante seems like a carefree person, he's very skilled at his work and he's sociable too.
It seems the Senate was surprised in the beginning too.

the Senate's authorization
But to that extent...
Well that's how it is.
...So you're saying that even though he's close to His Majesty, he doesn't even register as a threat?

You should just discard any thought of entering the competition!
If the Commander lost, it would be embarrassing!
That is to say...
It would be embarrassing if he lost the competition.
...Ah...



And...

Then Lante,

Would of course hate father.

If it was father's fault.

Even though Lante is not skilled at fighting,
He still holds the power of the "Chariot".
That's right
If it was him
Then the voice...
From the Oracle's dream

You said before,
That the trial had a time limit.
Ah.
Yes, I did say that.
Do you...
Want to give up already even though you have yet to put any cards down?
...
Oh?

Give me the "Empress" and the "Hermit".
You know what.
Just give me the rest of the cards!
..What's wrong?
Losing your confidence?
FOR NOW I'LL PUT DOWN THIS ONE!!
I'LL THINK ABOUT THE REST LATER!
...I see.

This way the "Empress", the "Priestess" and the "Lover" are all the same person.
...That is regrettable.
If it should be someone who is female, there is only one person nearby
The same name has appeared 3 times
.....
if I'm correct, Lina should be here.
Someone who is strong and patient should be the "Empress"
You're still like this...
SHUT UP!
THIS IS WHERE THE REAL THINKING BEGINS!!
You haven't grown at all
BECAUSE IF I LEAVE HOLES EVERYWHERE, YOU'RE JUST GOING TO KEEP NAGGING!!
...Then why are you placing the name in the other two too?

What are you suddenly so anxious about?
...
If you rush it like this...
Then that already low accuracy of yours will be even lower.
Are you saying... that the current placement is wrong?
Hah...
So you actually think that having the same name in 3 places is right?
...
Well...
There was someone like you before, who put the same name in different places.
But that was just a child's matter.
Child?
There was never an age limit needed to come here.

Did that child succeed..?
I have no reason to answer you
You should think about yourself first.
I DON'T NEED YOU TO TELL ME. I'M ALREADY THINKING ABOUT IT!
That's good then.
Even though I said that...
I didn't answer out of confidence...
Can I really find the right answer...?

Deberto,
What's wrong?
I wonder where Reguna heard about Kian-sama.
Probably from those bastards around him.
That Commander, most likely.

I thought monitoring Reguna was your responsibility, was it not?
Ah,
Yes.
But Reguna is no longer a child.
If something we say does not make sense,
Of course he would take action to get to the bottom of it.
Are you saying that you can no longer control him?
...Furthermore, even though we're all His Majesty's subordinates, only Reguna has a special place in his heart.
It would be inevitable that I would be suspected.
Even if it's me, it's not like I'm with him every day.

If it wasn't for that.
We would..
To him..
To a child who just lost his father.
It didn't matter if he cried...
No one ever said that to him...

Lante
What's wrong, Dante?
Can't sleep?
You're not sleeping
That's because...

I'm sorry..
About what happened a few days ago.
It was all my fault.
Was it?
Yes.
There was no one else but me.
.....
Other than you. There is nothing
Yeah.
Always
Ever since that day..

...No...
From the day we were born,
I..
It's okay
I'll protect you, Dante.
This time,
For sure.

Can you see?
Regina-sama
...Yeah.
...How much further?
We'll be there soon
.....
.....
I can smell water...

Where have I seen this situation before?
No... I can't remember...
This sense of déjà vu...
Before that...
In this situation?
Now, of all times?
Am I alone with her?
Why...

How did it turn out like this...
That...
That is...
Right.
It was...
His Majesty..
...

Chapter 16

It's too quiet!
.....
Of course it is...

But it's a problem if it's too boring.
This is how it should be during meetings
Your Majesty
...
It's just too silent!!
Isn't silence a good thing?
The guy who's always being noisy,
Isn't here at the moment.
It doesn't matter
It's always best to finish things quickly!
Let's get this over with!!

Can't we just..
Honestly
Just one person gone and it feels like a funeral.
.....
WHAT?!
JASMIN!
HURRY UP AND DO SOME-THING!!
More fun..
Talk about being unreasonable!!
.....
Hurry up and make this meeting more fun.
Aside from Lante, aren't you the next most annoying person?

I don't remember me being noisy ever leading to a good atmosphere.
Hm ..
Now that I think about it...
That is true...
If it was just you in the room, you could easily say something irritating!!
That's ...!
Other than Lante, There really isn't anyone who could drag you into a pointless conversation...
This is a very trouble-some issue...
Thanks to him, the meetings would end quickly...
Just like His Majesty said, the monotony of the meeting is a problem...
Hm...
← Very serious

At this rate, we can only put our hopes in Jasmin...
We haven't made any progress since the start of the meeting.
This is what the common folk would call procrastination.
It's rather contagious.
Even if you say that...
Other people...
Come to think of it,
I've never really seen her talk.
What was her name
Molly.

You always this quiet when you're by yourself?
Are ..
Eh?
..No.
.....?
.....

Straightforward
Is there something wrong with that?
Whether I'm by myself or with anyone else,
I'm always quiet. 24 hours a day
.....
I thought so.
No... It's fine.
.....

Ah.
.....
I can't read it at all.
Speaking of which, what have you been writing this entire time?
SFX. Scribble
...It's our national language.
Eh?
This is our country's language.
Blunt
The same one everyone uses.

But for that to be used as our official record ..!!
Molly is famous for her chicken scratch..
.....
Seems like I angered her...
SFX: caw caw
But I've never seen that handwriting on a document before!
Ah
That's because,
All of the documents are rewritten by Paruteen.
It'd be a mess if the Senate got that kind of paperwork.
Paruteen, you can read that handwriting?
?
...If you understand the origin of handwriting, you can easily read it.
ペカー
Amazing...
SFX: shine

Even so,
Out of everyone in the entire room, you just had to pick a fight with her.
Eh?
That aside
There is a reason why Molly sits there
Do you know why?
...No?
Because if it was her
She would never start a conversation with you
Understand?
In other words, she is the wall separating you and the rest of us
Are you talking about me?
Yes.
Even His Majesty was wearing that same expression...
Did I do something wrong?
...

I don't understand what you're saying.
Well, to put it simply.
She hates you.
...That's a bit too blunt...
The reason...
Does it have something to do with my father again?
You didn't know?
The "Oracle" is something she hates to begin with.
The "Oracle"...?
Well, we haven't really had any close conversations with her before.
But judging from the way she acts every day, that's what we concluded.
.....

...So it's like that...
Even if they're both on the table, the answer won't come you know.
...I know.
You don't seem very happy.
Were you bullied?
...Sage.
Hmm?

This so-called "answer" of yours..
What is it based on?
An "answer" is an "answer".
It is something that is there, and simply belongs there.
Is that the same as the Oracle?
Who knows?
What's wrong?
If you don't believe it, are you just going to give up on the trial?
It's just...
I don't mean that.
In my world,
The number of people who accept the Oracle is dwindling.

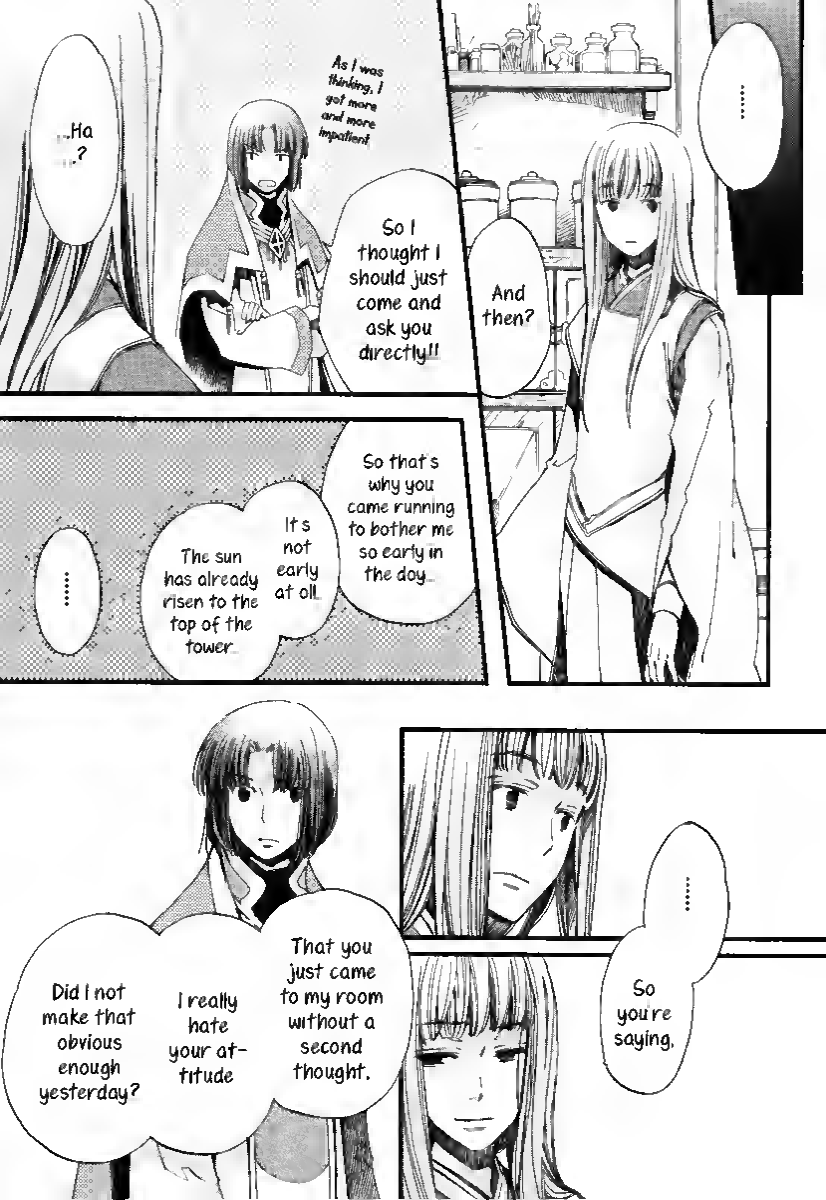
Even I am aware that there are more and more people who suspect the "Oracle".
But ...
For them to even be in His Majesty's court...
Honestly, it never occurred to me.
If I think about it carefully..
There is no point for the "Oracle" to report something like this
It'll just remind them of...
.. So?
Do you want to stop this trial?
.. Why do you keep saying that?
Aren't you the one always thinking about it!!

Don't forget,
Why you are here.
It is not to find a way to get along with those couriers,
Nor to worry about the Oracle's future.
Don't tell me that just because you got along with a new bastard,
That you think you're surrounded by people who love you
That new "friend" of yours...
Who was the one who brought him?

Ah.
……
……
.So that's it

That is ..
Whether it was a good or bad intention..
Just like that,
I was attracted to Lante
So,
This is what it's like when Lante is gone.
If Lante was here.
How,
Would he have done it?
How would he have let us interact?
:

Then again, there probably wouldn't have been any interaction,
Because of that...
Molly ... Said such a thing...
I really didn't notice that I was being hated.
...I guess it's inevitable.
We have never talked before.
Even if she hates the "Oracle" ...
For the "Oracle"
It's been years since he has done something to bring everyone together.
Just what does she hate about the "Oracle"?
.. Eh?
"The reason is un-clear."
Molly ... Had said it before ...



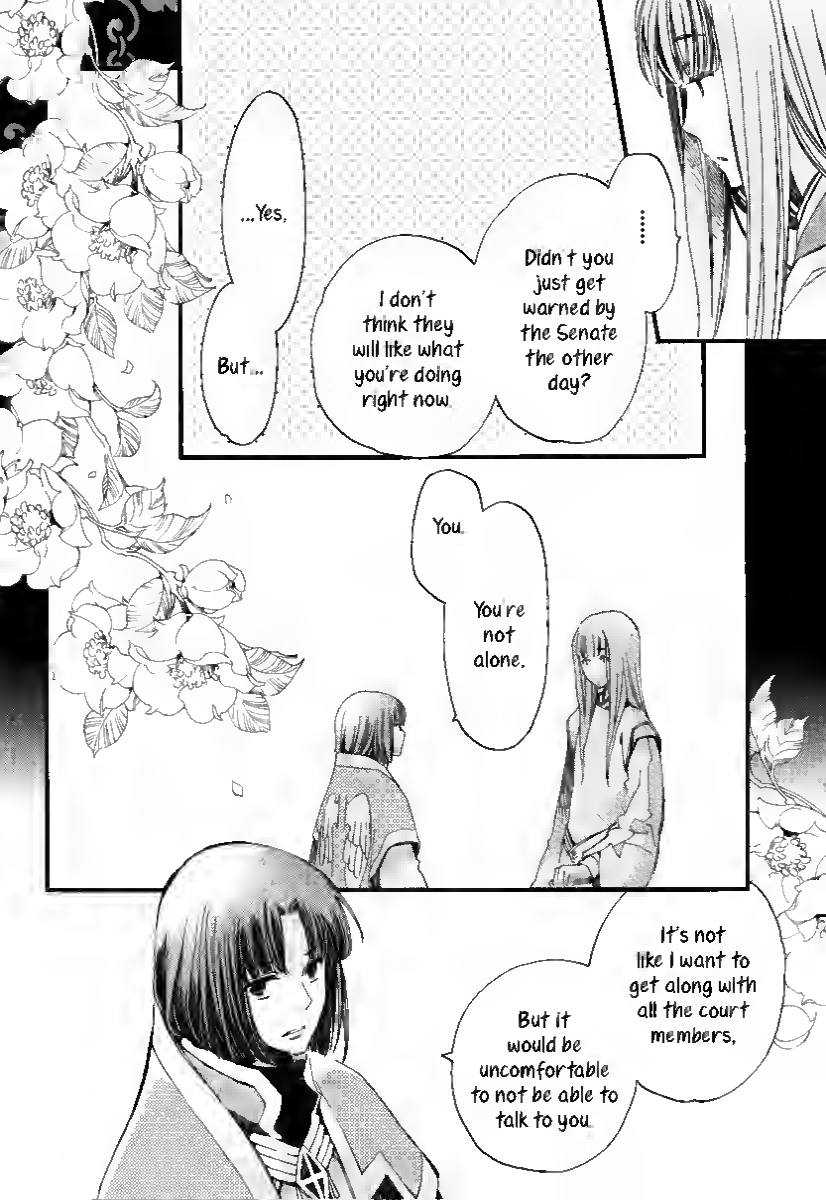
..Ha ..?
As I was thinking, I got more and more impatient
So I thought I should just come and ask you directly!!
And then?
.....
So that's why you came running to bother me so early in the day..
It's not early at all.
The sun has already risen to the top of the tower.
.....
So you're saying,
.....
That you just came to my room without a second thought.
I really hate your attitude
Did I not make that obvious enough yesterday?

Uh...
I can understand why you got mad at me yesterday
But I wouldn't know why I'm hated if you don't say it clearly
...
The feeling of disappointing someone...
It's a bit of a surprise.
Well, for now, have some tea
Sit anywhere you like.
.....
Apple peels...?
It certainly does feel like Molly's room...
There are quite a few things around ...

Is a doctor's room so interesting?
...You're a doctor?
Mhm.
Before I was a part of His Majesty's court, I was studying medicine at the Shengfalisi.
I suppose my coming here was thanks to me following the secretary.
SFX: Snap
Ah, that.
An apple?
Sun-dried apple peels have a very nice aroma
They're also good for digestion and burning fat.
A doctor's
Smile
You'll lose weight if you drink it.

...
What's this?
...So peace-ful
.....
Angel only drinks tea?
This is a new tea that turns black simply from you inhaling it
Inhaling?
Uh...no thanks -
Even though I'm hated,
She seems normal.
So...
Despite the fact that I blatantly told you I hated you yesterday,
What is your reason for coming to my room?

But there's still so much I don't know about you
I already know why I'm hated.
It feels wrong to just judge you based on what other people say.
And..
From what I've heard, you would never have let me in your room.
Never mind serve me tea. There's still a chance to talk.
Coming here was the right decision. That's what I truly think right now
.....



...Yes,
But...
I don't think they will like what you're doing right now.
Didn't you just get warned by the Senate the other day?
.....
You.
You're not alone.
It's not like I want to get along with all the court members,
But it would be uncomfortable to not be able to talk to you.

SFX. sigh
ふぅ
I'm very sorry for imposing.
But will you please lend me a bit of your time?
The type of people who make it hard for others to reject them...
What is it?
It's okay if you refuse...
No.
It's fine.
I'll go with you.
Really?
I'm very thankful.
But...
I also have a request.
Will you listen?

There's someone.
I want you to meet.
Only being told that..
And blindly coming along...
This place...
Isn't this the dungeon..?
We won't be going that deep.
We'll be making a turn before we're there.
...Which means that if you were to continue going down you'd reach the prison cells.
...

Come to think of it...
Who is this person you want me to meet?
Is it not someone from the castle?
It's not someone from the castle.
It's the tutor from the Shengtalisi I mentioned.
In other words, my mentor.
Someone from the Shengtalisi...?
Why would that person be here...?
I already got the Senate's permission.
There are simply some things you don't want others to know.
So I specially borrowed this place
I originally wanted to write it down,
But was told it was illegible.
Ah...

Speaking of the Shengtalisi...
It's that...
Isn't it?
Why come from such a far place?
The rumored place where you have to pray at least once in your life time...
...Really

.....
Didn't you say...
That the Senate knows he's here?
Ah.
Then are there others who know as well?

Why...
Why did your mentor, from so far...
That isn't something I can answer.
Please ask him yourself

I normally can't come to this place even if I wanted to...
Isn't Lante's doing.
That means,
That this...
Teacher.
It's me.
SFX: Knock Knock
I don't think any of the courtiers know.
Since we're not that close.
He probably knows.
There is His Majesty.
Well,

Molly?
Yes.
Come in
Pardon the intrusion.
Even though I came here,
I have a bad feeling about this.
I actually...
Came all the way down here.
Was this such a good idea?
Regunasama
This way, please.
Come in.

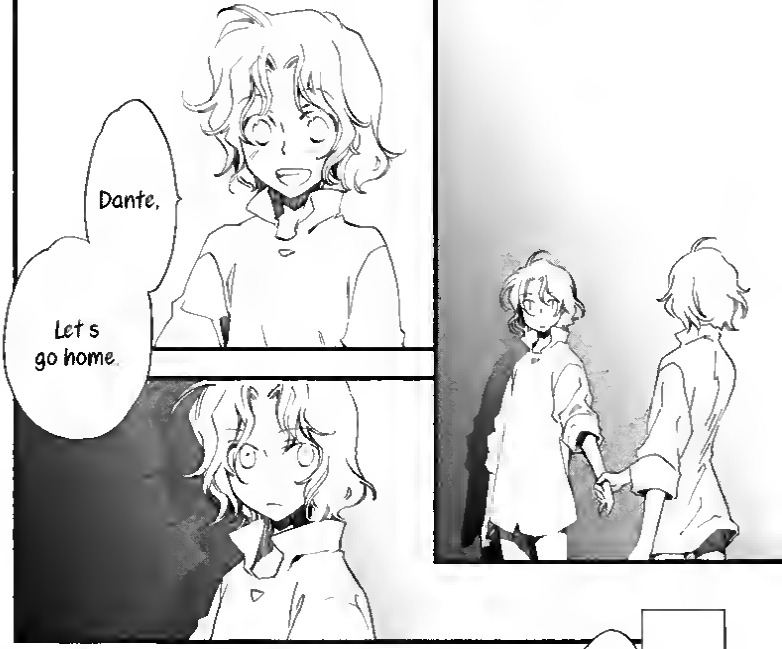
Lante
Extra Chapter
What is this?
What are you asking?
It's moving
ahh!
Are you talking about your heart?
Mm, probably
Why is it moving?
Why
What was it again...
Um- mm
that's because
"life" is moving

Life?
That's right, life.
If it stopped it would mean you're dead.
That's what I think.
Prob-ably!
.....
I see.
Life..
I re-member now.
I for-got.
In my world there is no-thing.

There is nothing ... nothing,
Absolutely nothing.
Everything is far, far away, it doesn't even matter.
...This wall
since when has it been here?
GFX touch

What's in here?
...Deep
Wide
In this world
There is nothing
Everything is in here.
That's what I feel
but
it is dark,
a darkness where I can't even see myself.
Like this, I won't even be able to find the exit.
There is no turning back.
That is
Something very scary to me.
Scared?

Why are you scared?
Why?
?
I don't know.
Where are you going?
Are you coming back?
What was that
?
What?
.....
What
Is there?



Dante,
Let s go home.

I have a feeling I've always been called that
Now that I think about it
My name?
Dante,
This way, Hurry, hurry!
"Dante"?

Ah, he responded
Yeah?

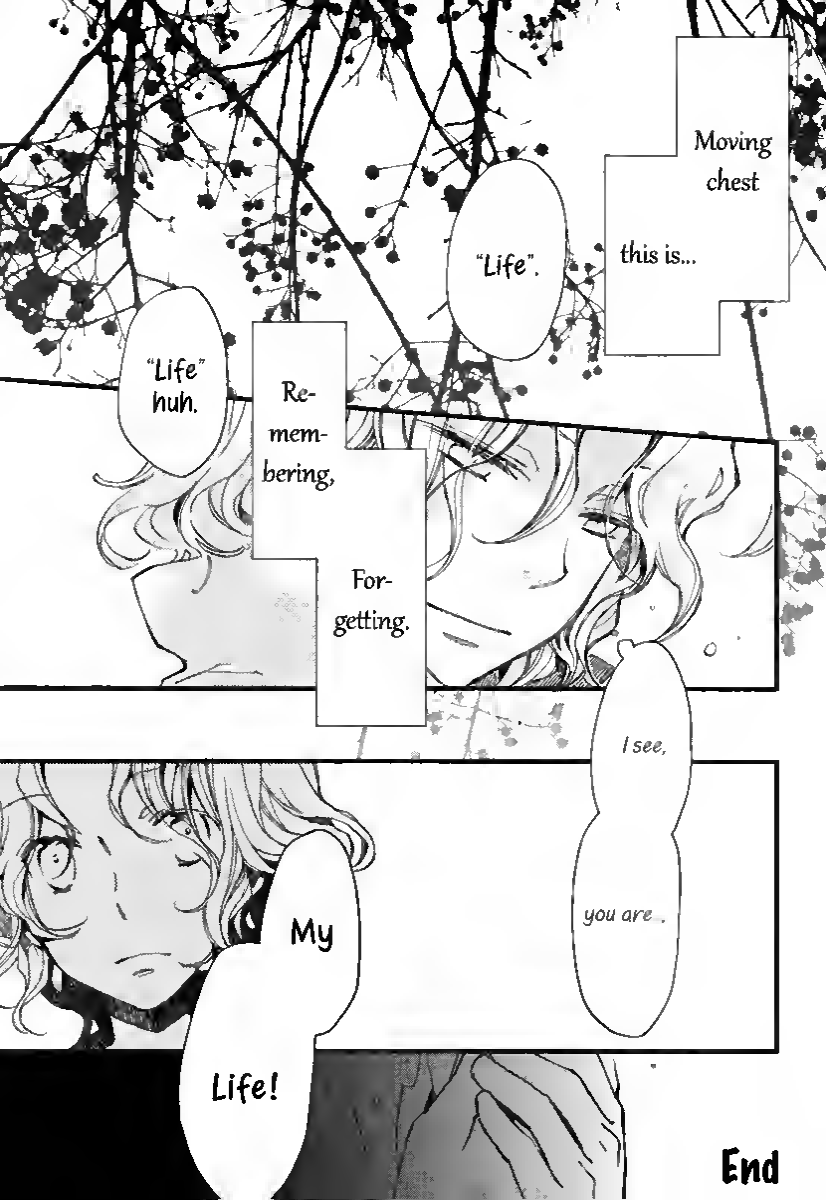
Then
"Lante".
This is...

"House"?
We're home!
I should have nothing
since when was it...
Dante, what's wrong?
Hurry up and go in the house.

What's wrong Dante?
.....
"Lante"
Yeah?
Lante.
Yes?
Lante.
Yeah?
Ha ha
What's up Dante?
You're so stronge todoy!

"Dante"
hmm?
.....
respond
Respond!
.....
"What is it"?

Why did I think,
That there was nothing in the world?
No matter how many words
In this empty world
"this" is
I remember,
a flower,
It feels off either way.
a rainbow,
light.
This...



Moving chest
this is...
"Life".
"Life" huh.
Re-mem-bering,
For-getting.
I see,
you are .
My
Life!

End

Next Story
Legna knows.
According to the things around him
Moeran
Gradually being buried in the cards
Good morning!
Thank you for the other day
Yea
"The hidden meaning"
"The surface meaning" and
The things,
The People,
The matter at hand will.

The emperor card means "rule"
To Legna
Someone above every other person who gives out the commands.
...
That means
This is
A card of "some one being chased"
However, the hidden meaning in the card is...
the "Emperor" is only that person...
...!...
As I thought
The hope Reguna carries...
I hope
That Lante
Has no connection to this.
What will destroy it?
Please believe me
!
Angel.

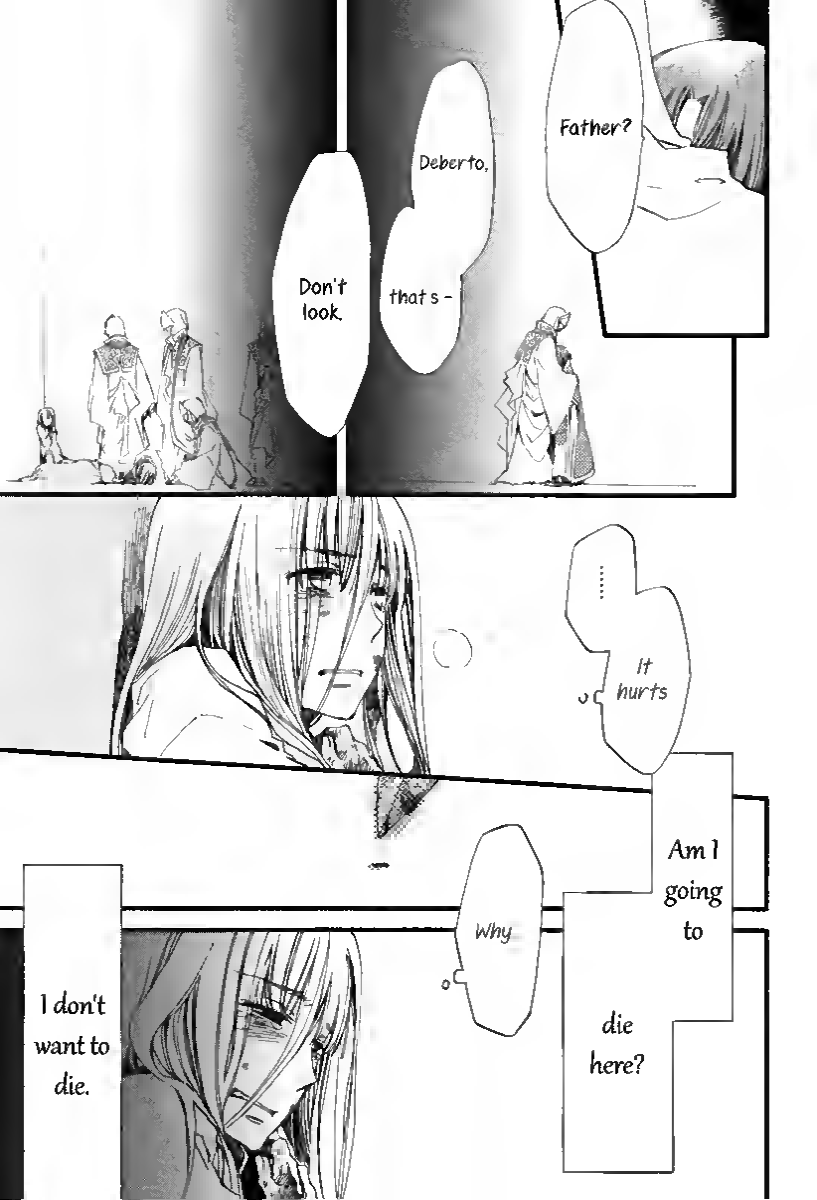
Ha...
Ha...
No...
No.
Please don't kill me.
I won't tell anyone, I promise.
I really won't tell
Please...

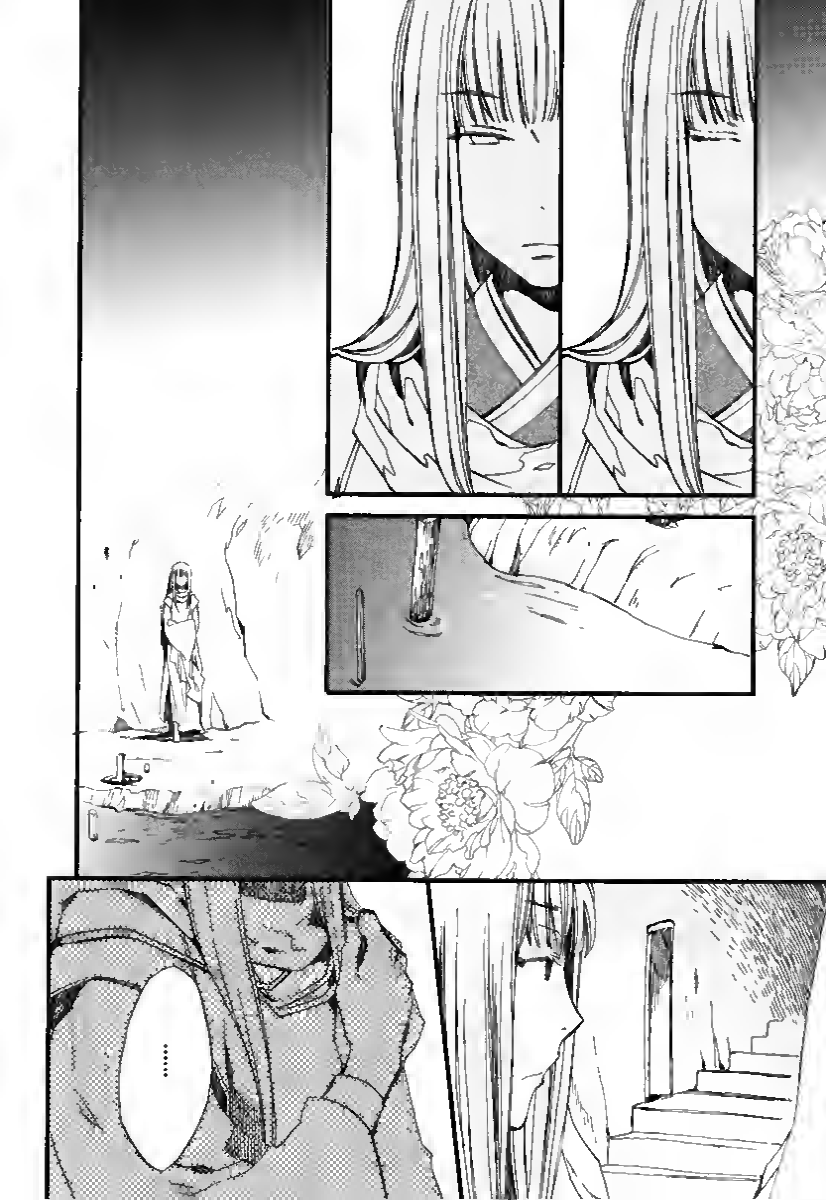
Hey
Teacher
wait.
Legna!
Legna,
Don't look!!
Legna.



Father?
Deberto,
that s -
Don't look.
.....
It hurts
Why
Am I going to die here?
I don't want to die.

Save me...
God!
.....
De-berto.

Who is crying?
Chapter 17



……

The Oracle is God's messenger.
They possess the power to manipulate the fate of people around them.
The Oracle ...
So you are Moeran...
Even though your existence troubles this country
God said to "save you"
You should thank the Oracle

The Oracle...
The Oracle. Even his destinations are designated by God.
That's..
Just by saying one word
.....
Teacher what happened to him?
That doctor has already been cut into pieces.
The Oracle didn't say anything.
By now he must have been secretly buried

Secretly ...
On the soils of this kind of country,
if we were back in the Shengtalisi,
many brothers would cry days and nights mourning his death
Just like that,
by himself,
in this kind of place...
Just ...
It's so sad
Whose fault is it
it turned out this way?

For the Oracle
to be suspicious and investigate
is something that should never be done
The Oracle is God's voice,
the Oracle delivers his messages
Which means
the perfect Oracle should
keep an even lower presence.

That is what we at the Shengtalisi think.
The senate agrees as well.
The Oracle coming out to protect has happened before.
But something on this level... Do you understand?
Yes...
It is as I've learned.
Thank you for your understanding.
Then you must know what we are against.
Against?

Never again.
You mustn't go out to gather
information
That's all.
I believe you understand.
You grow closer to people when you go around gathering
information from them.

By growing closer to them
they become more than just "the people next to you".
They gain a name and personality
and become considerations in your actions.
"Why did they say that?"
"What are they thinking about?"
One day these will become the Oracle's unnecessary concerns.
.....
I believe you know but...
This year,
the Oracle has been called a fraud.
The assassination of Beiwang has been confirmed.

Even though others have different opinions
It's true that the number of Oracles is dwindling
because there are many who are unable to use their abilities.
But in Shengtalisi
we hope to protect you, the Oracle
We are your friends,
Oracle Legna.

Finished talking?
The boat docks?
I didn't know it was in this kind of place
The guards use this to keep a strict watch over it
What you see there is the entrance to the prison.
Ah...

What's wrong?
.....
Incidentally, it looks like there's something in the water.
So it's impossible to escape by swimming
"Something"?
eh, what...!?
He didn't tell me his name.
I thought as much.
It's probably because he's meeting you as the representative of the Shengtalisi...
And would want to refrain from meeting you as himself.

.....
He said they would be on my side.
That might be their real intention.
but you don't believe them.
The Shengtalisi probably think that this is
all because of Lante's poisoning attempt
Seems like it.
If you just wanted to stop me from interacting with Lante,
Why didn't you just ask him?
Whether it's the senate or the Shengtalisi,
are you all that afraid of the Black Chariot?

That is...
It's a monster under human skin.
It is not human at all.
Feeling joy from killing,
yet lacking the wisdom to manipulate people..
A monster only second to the devil itself.
This "Lante" who controls it...
Will one day cause a scourge.

Saying it like that...
A monster in disguise...
Had he heard that,
he probably would have been hurt.
To think like that...
Is it because we are too close?
I'm just saying but...
I wouldn't stand by your side.

But……
You wouldn't be an enemy either.
You're right
You can't even count me as an enemy.
It's just.
Some-one like you, who doesn't know any-thing.
who is so warmly pro-tected,
makes me mad!
Warmly?
It's true though, it's as you just said.
I'm just as frustrated by my own useless-ness.

But being able to learn from the surrounding people, and talking to you like this, I don't think you're wrong...
Couldn't you think about it this way...
Until now, all I've learned about what is expected of an Oracle has been spoon-fed to me by the Shengtalist and the Senate.
That it's all to bring you down?
To deprive you of your Oracle privileges?
Like Lante's plan to make you fall or something..
If it's greater than what your intellect can manage, don't force yourself to think about it.
That makes sense too?!
.....
?!

No,
I think that lately Lante's actions have been rather strange.
Really?
Even though it's strange,
We still don't know what kind of plan his was, nor what it is he wants
(trying to act like there's no way he wouldn't have noticed it...
If it's this person
Definitely
Just like the white color on that shore across,
he will live blinded from the truth

Moeran,
You have two options.
One is to live the rest of your life here, safely and silently.
The other is to leave this place and be of use to his Majesty
However you are forbidden from mentioning to anyone what you learned that day
Which means you must forget everything that transpired then.
Otherwise, both you and your teacher will be disgraced.
What is your choice?
Why ...
Even teacher ...
Because this is your current condition.
.....
I understand
I give you my word ...
Secretary-sama.

Really..
Delightful, you've made a wise choice, Moeran
The Senate really wanted for you to disappear.
But even if it should it be by accident, even they would sense a glint of guilt if they were to get rid of the doctor from the Shengtalisi
Do you understand why this is happening?
Secretary-sama titled the report sent to the Shengtalisi as "this situation"...
By doing that you gain complete freedom in the kingdom.
And thanks to the Oracle, the person you want to but can't kill
who can also be conveniently used to make a deal...
Is just sitting here...
Right?

Then, come over here
That really is... A perfect answer...
Now, before you swear to God to forever remain silent...
Tell me all that you saw that day.
On the South side...
The rainbow colored glass broke
Rainbow colored glass?
So you didn't see Kian's murderer?
No...

When teacher and I arrived
The Oracle was already dead.
His heart was pierced..
After that,
a child -
You saw...
A child?
Yes. before being brought here.
I'm not sure of the exact time but ..

Was a golden haired child.
Running out of the castle.
holding a sword...
Many years later..
As a part of his majesty's courtiers..
I immediately recognized the child from back then.

Judging by the atmosphere it should be Lante, but..
That child holding the sword
Was it the older brother?
Lante, were you in the castle? when Kian-sama died,
Inside?
No?
Me and Dante were outside..
Not inside.
So it's like that.
I was inside the castle at the time
I felt like I met someone who looked like you.
Perhaps it was my
Eh?

Now that I think about it.
at the time I was still really young..
If it was in the castle..
For there to be a small child is already an interesting fact...
Hm...
It was many years ago
It could be my mistake.
Sorry for asking you a strange question.
Eh?
Is that okay?
Don't you want to find that child?
No,
It's not like that.
I just had some concerns...
This isn't good.

This man...
Is a very good liar.
Sorry for bothering you
No, I should be...
I'm sorry I couldn't be of help.
After that,
you wouldn't feel closer...
Nor would you feel more distant.
But you definitely wouldn't touch upon this topic again...
Like you didn't care anymore.
If that was done on purpose,
then that person is amazing...

He must be like me...
He must know something about what happened that day.
And...
He would want to know the truth.
"The victim's child" ...
Has never suspected anyone ...
because he didn't know anything.
